

CAMP KESHER APPLICATION FOR FINANCIAL ASSISTANCE

Please complete and return to Esther Herst

Camp Keshar offers confidential, need-based camperships to help offset the cost of our program. We recognize that some families may need some assistance to attend Camp Keshar. To meet that goal, we have limited funds set aside for financial aid. In order to enable us to offer as many camperships as possible, we will provide aid up to one half the cost, per family. Of course, if your financial situation dictates the need for a more substantial grant, every effort will be made to meet that need.

Financial assistance applicants must first register and pay the standard deposit. However, the deposit is refundable if the financial assistance applicants advise Camp Keshar (through Esther Herst) that the financial assistance is not sufficient and the applicant withdraws their Camp Keshar registration.

In applying for a campership for myself or my family, I/We, _____, acknowledge that without these additional funds the cost of the program would create a financial hardship.
