If you went to Jewish summer camp as a child and long to recapture that time in your life, or if you didn't, but have wondered what it was like, Camp Kesher is about as close as you can get. For four days, campers of all ages are immersed in Jewish community and study, and enjoy nature, sports, music, and crafts—away from every day distractions and responsibilities. (No cooking!) Make this experience a gift for yourself and your family. *All levels of Jewish knowledge and commitment are welcome.*
